on the occasion of the capitol's centennial in 2017 this book tells the remarkable story of the building in all its incarnations and the people who made history beneath its dome the book covers the creation of the territorial capitol in 1837 the construction of the second capitol in the 1860s and the fire that almost completely destroyed it in 1904 the eleven year construction project that completed the third capitol in 1917 and the extensive conservation project of the 1990s that restored

the building to its grandeur supporting the framework of this architectural history are colorful stories about the people who shaped wisconsin from within the capitol attorneys senators and governors from henry dodge to scott walker as well as protesters reformers secretaries tour guides custodians and even old abe the capitol s resident eagle combining historical photographs with modern full color architectural photos the wisconsin capitol provides fascinating details about the building while also emphasizing the importance of the capitol in wisconsin s storied history

reimagining one of the oldest genres of civil war history this book engagingly presents the story of the war and its aftermath through the lens of a single regiment the sixth wisconsin one of the core units of the famed iron brigade the sixth was organized in july 1861 and mustered out in the summer of 1865 playing major roles at second manassas antietam and gettysburg and in the overland campaign of 1864 but the regiment s full history is found in the stories of its men learning to fight and endure far from home amid violence illness and death and in the lives of families that hung on every word in letters and news from the front lines those stories also unfolded long after the war s end as veterans sought to make sense of their experiences and home communities struggled to care for those who returned with unhealed wounds marshaling a vast archive james marten has crafted a compelling and highly original biography of the sixth wisconsin in war and peace in seeing the fight through the eyes of the regiment s roughly 2 000 men and those connected to them readers will understand the long history of the civil war as never before
