book

this book documents lines of descent for approximately 200 seventeenth century north american colonists from the famous magna carta sureties of 1215 the book has been compiled for three basic audiences 1 for those who desire a reliable reference work for events and individuals in the colonial and medieval time periods 2 for those interested in their personal family history who seek information regarding their more remote ancestry and 3 to help readers better understand english history from the viewpoint of family dynamics p xix v 1

at the signing of the magna charta twenty five men representing the barons signed as sureties of the baronial performance in effect pledging the barons to fulfill their

obligations to the crown in accordance with the terms of the great charter of these twenty five sureties only seventeen have identified descendants each of the seventeen is represented in the celebrated magna charta sureties which traces their connections line by line and generation by generation to approximately 160 american colonists eight years have passed since the publication of the last edition of this work however and in the interval a great many additions corrections and revisions have accumulated brought to a very high standard by the unremitting efforts of its editor walter lee sheppard jr this fifth edition incorporates new lines corrects errors in existing lines adds recently discovered material and supplies references where they had previously been omitted the result is a reliable and authoritative collection of interlocking pedigrees which carry the ancestry of some 160 american colonists back to the thirteenth century with the possible exception of weis s ancestral roots also published by genealogical publishing co this is probably the very best work ever written on the pre colonial ancestry of american colonists
